

The implementation of the Danube Strategy

To the program of the Steinbeis Day, we have added the market place Danube region. As part of this special region of Romania, were presented opportunities for cooperation and projects which has to be implemented in the Danube Strategy. High-level representatives of the regions were on that day in Stuttgart. The delegation was led by Viorel Ardeleanu, the National Coordinator of the European Danube Strategy, and Prof. Vasile Puscas, Minister for European Affairs until 2009.

The market place Danube region was under the auspices of the Mr. Peter Friedrich, Federal Minister for Europe and International Affairs Ministry of Foreign Affairs of Romania.
