

Steinbeis-Transferzentrum OST-WEST-Kooperationen

Steinbeis Transfer Center EAST-WEST Joint-Ventures

Steinbeis Transfer Center EAST WEST Joint-Ventures is a link between East and West-European industry and scientific research. Our activities are oriented to development of long-term business connections. Besides, we aim at continuous improvement of typical conditions for successful business activity in Eastern Europe. The Transfer Center was founded in 1994 by Jürgen Raizner, the Head of the Center.
