

Invitation to conference **EUROPEAN DANUBE FORUM**

"LIFT OFF! How the Balkan Danube Region boosts business". After successful start in 2013, Senat der Wirtschaft provides ideal platform for business development to entrepreneurs in the Danube Region. At European Danube Forum significant subjects are going to be discussed

- Environment and Agriculture
- Energy
- Logistics
- Tourism

STC Director Jürgen Raizner will present "Logistik der Zukunft im Donaauraum" (Logistics of the future in Danube Region).

Thematic speeches or experts will be completed by key-notes of high level representatives of EU, of Senats der Wirtschaft and of well known actors of Danube Strategy.

Roundtable discussions allow participants an active participation at the Forum.
