

Danube Financing Dialogue 2014

24./25.01.2013: The second financial dialogue with the EU Strategy for the Danube Region will be held in Belgrade. The Steinbeis pilot project "Danube Transfer Centre" is one of 20 classified as eligible projects. The basic funding by the State Ministry of Baden-Wuerttemberg ensures a successful project launch. The centers in Romania, Slovakia and Serbia need a certain level of institutional support. In addition, the network of the Danube Transfer Centre will be expanded. There are inquiries from Bulgaria, Croatia and other Danube regions.

The coordinator of the Priority Area 10, Dr. Kurt Puchinger, is responsible for the event and the selection of projects. He and his team managed to perform around 200 participants from across the Danube to Belgrade. Also present: Representatives of the European Commission, the European Investment Bank, the Fund for the Southern Balkans and other potential donors.
